Introduction

FINANCIAL AID is money received from state and federal governments, private sources, and nonprofit organizations that is awarded to students to assist them in paying for postsecondary tuition and other educational expenses.

There are two types of financial aid:

GIFT AID includes grants and scholarships – gifts of money to pay for college that you do not have to repay.

SELF-HELP AID includes employment and student loans that need to be repaid.

Seek financial aid in the following areas to ensure that you have utilized every resource available to fund your postsecondary education:

- Federal financial aid (TBD*)
- State financial aid (opens October 1)
- Institutional aid (after acceptance by institution)
- Private scholarships (anytime)

*The 2025-26 FAFSA is anticipated to become available between October 1-December 1.

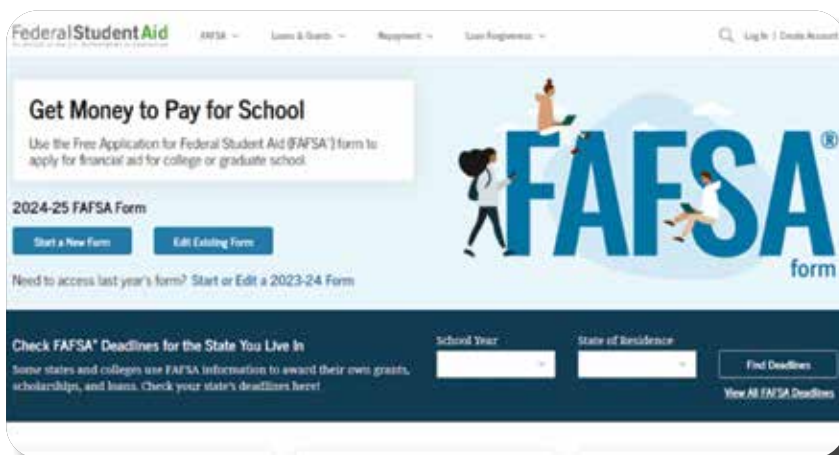

Free Application for Federal Student Aid (FAFSA®)

www.FAFSA.gov

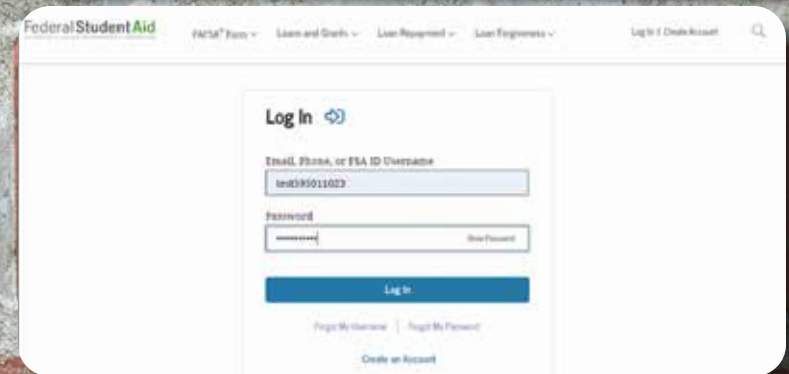

www.StudentAid.gov

The U.S. Department of Education is the largest source of federal student aid. Students are encouraged to submit the FAFSA® on or after October 1 of each year and annually thereafter to seek federal aid. The FAFSA® may also be used to apply for need-based aid from other resources including state, school, or private entities. Please note that the deadlines for other sources may vary from the federal guidelines.

This is the main FAFSA® form landing page. On this page, students are directed to “Start a New Form” or “Edit Existing Form.”

If the student selects “Start a New Form” from the FAFSA® landing page and they are not logged in to StudentAid.gov, they are taken to the “Log In” page to enter their login credentials. To access the FAFSA form, all students are required to have an FSA ID (account username and password). If the student doesn’t have an FSA ID, they can select “Create an Account.”

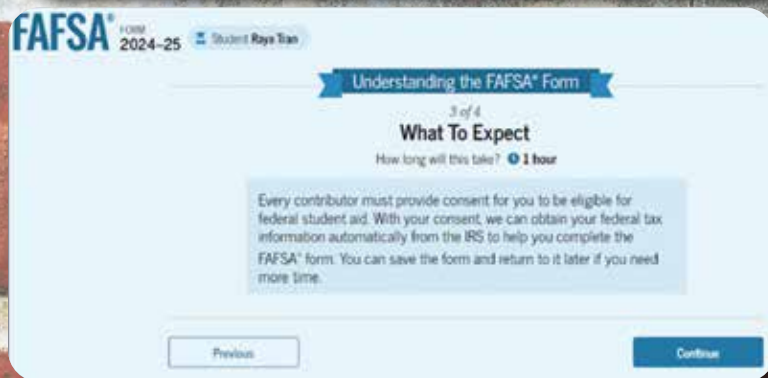

After logging in, the student can select the applicable role to fill out the FAFSA® form: “Student” or “Parent.” The student selects “Student.”

The second FAFSA® onboarding page provides information about the different contributors that may be required to participate in the student's FAFSA form and documents that may be needed to fill out the form.

The third FAFSA® onboarding page provides information about the types of questions the student can expect to see and how they can get additional help with filling out the FAFSA form.

Federal Grant and Work-Study Programs

Federal Grant	General Description
Federal Pell Grant	The Federal Pell Grant Program provides need-based grants to low-income undergraduate and certain postbaccalaureate students to promote access to postsecondary education. Grant amounts are dependent on the student's Student Aid Index (SAI), the cost of attendance (as determined by the institution), the student's enrollment status (full-time or part-time), program length, and whether the student attends for a full academic year or less.
Federal Supplemental Educational Opportunity Grant (FSEOG)	The FSEOG is offered to Pell Grant recipients who have exceptional financial need. The FSEOG program is administered directly by the financial aid office at each participating school and is considered "campus-based" aid. Not all schools participate. Teacher Education Assistance for College and Higher Education (TEACH) Grant	The TEACH Grant Program provides grants of up to \$4,000 a year to students who are completing, or plan to complete, course work needed to begin a career in teaching. Certain restrictions apply. To learn more, visit: www.studentaid.gov/understand-aid/types/grants/teach .
Federal Work-Study (FWS)	The FWS Program provides funds for part-time employment to help needy students finance the costs of postsecondary education. For additional information, please contact your postsecondary institution.

For detailed federal grant and loan program information, visit the U.S. Department of Education's website at www.StudentAid.gov or contact your postsecondary institution's financial aid office.
